CITIZENS' IMPEACHMENT

LETTER TO THE EDITOR – "NO" TEMPLATE:

Representative <FIRST AND LAST NAME> (District <STATE-NUMBER>) has said that they will not support impeaching President Trump. This is a dangerous failure of leadership.

As a voter from <CITY/TOWN>, it's clear that Trump is a tyrant, dismantling democratic norms and threatening to remain in power unlawfully. On every issue, from immigration to the economy, he and his cabinet are lawless, unaccountable to our justice system, and have committed a multitude of crimes.

Refusing to impeach him now risks lasting damage to our democracy. By rejecting their responsibility to uphold the Constitution, Rep. <LAST NAME> has shown they are unfit to serve. I will not vote, donate, or volunteer for them in the future.

I urge others in <REGION> to join me in insisting that Representative <LAST NAME> up hold their oath to the Constitution.
