CITIZENS' IMPEACHMENT

LETTER TO THE EDITOR – "WHAT?" TEMPLATE:

I contacted Rep. <FIRST AND LAST NAME> (District <STATE-NUMBER>) to urge support for impeaching President Trump. Their response, [BRIEFLY DESCRIBE RESPONSE], failed to address my concerns.

Trump's actions — lawless, unaccountable, and authoritarian — threaten our democracy. If we don't act now, we could lose everything that made this country great. Congress must do its duty and impeach him immediately.

Rep. <LAST NAME>'s failure to engage shows a lack of leadership. I certainly will not be voting, donating, or volunteering for them in the future unless they clarify their stance by taking action toward impeachment, without delay.

I am urging fellow residents of <REGION> to back leaders who are standing up for the Constitution.
